Hall County Tax Assessors Office Moving
October 5, 2012

The Hall County Tax Assessors Office will be closed on Friday, October 12, 2012 for relocation to the new Hall County Government Center located at 2875 Browns Bridge Road, Gainesville.

Departments will continue to move into the new building through October. Additional office moving dates will be announced. Consolidating the county's numerous department locations will improve customer service, increase staff efficiency, reduce operational costs, and eliminate office space rentals.
