

Sheriff Couch to Present 1st HCSO Community Spirit Award

February 6, 2014

The first Hall County Sheriff's Office Community Spirit Award will be presented to the Lanier Soccer Association at the Allen Creek Road Soccer Complex on Saturday, February 8, 2014. The award will be presented to the Lanier Soccer Association to recognize their embodiment of outstanding service to the youth in our community. They have accomplished this by providing a heightened environment for developing teamwork, good sportsmanship and structured activities targeted to elevate the individual players and local youth to achieve their maximum potential.

Their contribution to the Hall County community has been an inspiration to us all. With activities, tournaments and training available for adolescents of all ages, the Lanier Soccer Association fulfills the sporting needs of over 1,500 young people in our area each year. Teaching and mentoring combine with skill and mechanics under the careful guidance of the Lanier Soccer Association.

Sheriff Gerald Couch adds "We are very humbled and honored to recognize the Lanier Soccer Association for their commitment to the youth within our community. They offer a wealth of mentoring resources and training opportunities for our young people who aspire to be the very best that they can be. We can also be proud, knowing that their organization features some of the finest athletic talent that can be found in North Georgia."

Unlike other National awards of similar design, The Hall County Sheriff's Office Community Spirit Award is the local recognition award presented in order to spotlight community organizations that have made admirable strides in furnishing services that are designed to advance, challenge and enrich the lives of young people in Hall County.
