

Four Arrested in Entering Auto Spree

July 5, 2013

On July 3rd, Sheriff's Deputies responded to the area of Graham Circle in northwest Hall County after a citizen witnessed a man breaking into a vehicle at her home. Upon being discovered, the subject fled the area on foot, but was tracked by a K9 unit to a nearby residence on Price Road, where he was arrested without incident.

During the course of the investigation at that location, three more subjects were interviewed and ultimately linked to a number of recent entering auto cases in Hall, Forsyth, and Dawson Counties. Investigators were also able to recover a large amount of stolen property at that location consisting of power and hand tools, GPS devices, electronics, and an assortment of personal items.

Investigators believe that more charges are possible as the investigation continues and additional victims come forward, as some of the property recovered has not yet been linked to specific victims. Potential victims can set up an appointment to identify their belongings by contacting the Criminal Investigations Division at (770) 531-6879.

The Sheriff's Office is also asking that anyone who may have been a recent victim of entering auto or theft but did not report it, to please do so by calling Hall County Dispatch at (770) 536-8812.

Blake Ray Forrester (20), Connor William Wales (19), Dylan Allen Martinez (17), and Dillon Ross Stowers (19), all of Gainesville, were arrested and charged with multiple counts of entering auto and burglary, in addition to having holds placed on them for cases in Forsyth County.

This case remains under investigation by the Hall County Sheriff's Office, Criminal Investigations Division.
