

Flowery Branch Employee Arrest

October 15, 2012

On October 12, 2012, Hall County Sheriff's Investigators arrested 44 year-old Maria Arevalo, a city of Flowery Branch employee, on two counts of Theft by Taking (felony) in relation to an investigation of missing city funds.

The alleged thefts took place between May 23rd and August 16th, 2012, and involved the handling of the daily deposits of city funds. After the matter was brought to the attention of the Flowery Branch Police Department, Chief David Spillars requested an independent investigation by an outside agency since a city employee was suspected of being involved.

The incident remains under investigation by the Hall County Sheriff's Office, Criminal Investigations Division.
