

Prescription Drugs Result in Multiple Charges for Gainesville Man

April 6, 2012

On April 05, 2012, Agents with the Multi Agency Narcotics Squad and the Hall County Sheriff's Office Uniformed Patrol Division arrested 23 year-old Eric Levi Lavengood during the course of a drug investigation.

Agents executed a search warrant at Mr. Lavengood's home, and during the course of the search located and seized a quantity of Oxycodone tablets, Testosterone, Clonazepam, and Dextroamphetamine.

Mr. Lavengood was arrested without incident and booked into the Hall County Jail, charged with Possession of Oxycodone with Intent to Distribute, Possession of Testosterone, Possession of Clonazepam, and Possession of Dextroamphetamine.
