

Sign up now for Camp Lifesavers

June 13, 2012

Registration Form

Hall County Fire Services will once again host Camp LifeSavers, a one-day safety camp for children. This year's camp is being hosted in collaboration with Hall County Parks and Leisure Services.

The camp is designed for children ages 6-11, and will discuss a variety of injury prevention areas. Arts, crafts, activities, and displays will fill the day. Lunch will be provided.

This year, Camp Lifesavers will be held in two different locations. On Tuesday, July 10, 2012, it will be hosted at East Hall Community Center located at 3911 P Davison Road, Gainesville, GA 30507. On Thursday, July 12, 2012, camp will be hosted at Mulberry Creek Community Center, 4491 JM Turk Road, Flowery Branch, GA 30542. This will provide an opportunity for children from across Hall County to attend one of the days. Camp will start at 9:00am and will end promptly at 4:00pm.

There is no charge for this camp, and all children registered will receive a t-shirt. Registration forms may be returned by mail, email, or fax. Due to limited space, children will only be allowed to attend one of the two dates. Those applying should indicate which date they wish to attend.

If you have questions concerning Camp Lifesavers, please contact Lt. Beverley Walker at 770-531-6838, or bwalker@hallcounty.org.
