

## **Udzinski Named Interim Warden for Hall County**

October 11, 2012

The Hall County Board of Commissioners announced Thursday morning that Dennis Udzinski, deputy warden for Hall County, will serve as interim warden beginning next month.

Udzinski will fill the position being vacated by Hall County Warden Avery Niles, who has been named interim commissioner of the Georgia Department of Juvenile Justice. Niles will begin that appointment Nov. 1.

Niles is replacing Commissioner L. Gale Bucker, who announced her retirement last week during a special meeting of the Georgia Board of Juvenile Justice.

Hall County Administrator Randy Knighton said they've begun the process to find a permanent replacement for Niles.
