

Wrapping Paper, Gift Boxes Can Be Recycled In Hall Co.

December 21, 2012

Once the Christmas gifts are unwrapped, that wrapping paper and many other items used during the holiday season can be recycled in Hall County.

Wrapping paper, holiday cards, paper gift bags and cardboard boxes can all be dropped off at the Hall County Recycling Center on Chestnut Street in Gainesville or at any of Hall County's 12 compactor sites, keeping that trash away from Hall County's landfill.

Just as a reminder, your Christmas tree can be recycled as well. It will be turned into mulch, which will be available to the public on Jan. 7 at the Hall County Recycling Center.

Hall County's compactor sites will be closed on Christmas Day only.
