

## **Hall County Government Facilities Closing Early**

January 25, 2013

Hall County Government facilities, including the Hall County Government Center, community centers, parks and compactor sites, will close at 1 p.m. Friday due to inclement weather.

Our decision has been based upon the best available weather information and consultation with appropriate staff, including Hall County Fire Chief David Kimbrell and emergency management personnel. The safety of our citizens and employees are of paramount importance, and we would rather exercise caution as weather conditions are expected to deteriorate this afternoon.

Hall County Road Maintenance crews are monitoring roadways and bridges as the threat of freezing rain and ice continues. They will continue to spread calcium chloride on the sidewalks of Hall County facilities and on area roadways where ice has been reported.

The Hall County Courthouse has also been closed for the day.

Anyone wishing to report ice on the roadway is urged to call Hall County Dispatch at (770) 536-8812.
