March 19, 2013

Hall County Parks and Leisure is proud to celebrate the opening of Cool Springs Park with inaugural games this weekend. A ceremony marking the opening of the park will be held at 8:45 a.m. Saturday. The event will take place on one of the park's ball fields and will include remarks from Hall County District 2 Commissioner Billy Powell, the Hall County Parks and Leisure Services Board and other key community leaders who helped bring the park to fruition. Commissioner Powell will also throw out the first pitch at one of two ball games scheduled at 9 a.m. Saturday.

Cool Springs Park is located on 70 acres in the Chestatee area of northwest Hall County. It includes three baseball/softball fields and a concession/restroom building. The park property was donated to Hall County in 2003 by Cool Springs, LLC. The total construction cost for the fields was roughly \$1.8 million dollars and was funded by SPLOST dollars and impact fees.
