

Chairman Mecum Delivers Meals on Wheels

March 18, 2013

Hall County Commission Chairman Richard Mecum joined Gainesville Mayor Danny Dunagan Monday morning to participate in Gainesville-Hall County's Meals on Wheels program, which delivers meals to frail seniors living in Hall County. The chairman's visits came on the same day the organization announced the end to its waiting list, meaning that every senior signed up for the program will receive a meal every weekday by June 30. The announcement follows an 18-month campaign led by a public-private partnership, which includes Hall County Government.
