

Fourth of July Fireworks At Laurel Park Postponed Until Labor Day

7/3/2013

The fireworks display originally scheduled for July 4 at Laurel Park has been postponed due to inclement weather. The event, which benefits the American Legion Paul E. Bolding Post 7, has been rescheduled for Labor Day, Sept. 2.

Hall County Parks and Leisure, Sheriff's Office, Fire Services, Public Works, Public Safety and the Correctional Institution donate services each year to support this longstanding local tradition.

Laurel Park is located at 3100 Old Cleveland Hwy, Gainesville. Gates will open at 9 a.m. for visitors to enjoy the sports facilities, playground, spray ground, dog park and views of Lake Lanier. A spectacular fireworks display, provided by the American Legion and Hall County Government, begins at dusk. Parking is \$5 per car. Snow cones, hot dogs and other concessions will be sold by North Georgia Boy Scouts.
