

**Positive Rabies Alert In South Hall Area**

November 14, 2013

This is to advise that a domesticated animal had contact recently with a rabid skunk in the Poplar Springs Road area of south Hall County. The skunk was shipped to the Georgia Public Health Lab- Virology Section in Decatur. Hall County Animal Control was advised Tuesday that the skunk tested positive for rabies. This is the 14th confirmed case of rabies in Hall County in 2013.

Positive alert signs will be posted in the area where the rabid skunk was located. If you live in this area or you see an animal acting abnormally in the area, contact Hall County Animal Services at 770-531-6830 or call Hall County Dispatch at 770-536-8812 during non-working hours.

Animal owners are encouraged to vaccinate their domesticated pets for rabies. Vaccines are available at the Hall County Animal Shelter for \$10 Tuesday through Friday, 9 a.m. to 5 p.m., at 1688 Barber Road, Gainesville.
