

Public Notice: Verizon Wireless "Balloon Test" Set For Oct. 19

October 10, 2013

Verizon Wireless will be conducting a "balloon test" at the site of a proposed monopole in western Hall County on Saturday, Oct. 19 between the hours of 9 a.m. and 1 p.m. During that time, a balloon will be flown at the maximum height of the proposed monopole which is proposed to be constructed at 5475 Allen Drive. Below is a map depicting the exact location of the proposed monopole and the parcels within a 1.5 mile radius of the proposed structure.

Verizon Test Area Map

In the event of inclement weather, the test will be held Saturday, Oct. 26 between the hours of 9 a.m. and 1 p.m.
