

## **Mcever Road Reopens Following Repairs**

September 12, 2013

Hall County Road Maintenance and Traffic crews reopened McEver Road near its intersection with Jim Crow Road around 9 p.m. Friday, Sept. 13.

The roadway was closed periodically Thursday evening and Friday as crews worked to repair pipe failure, resulting in a washed out section along the shoulder of the roadway.

Crews detoured traffic from McEver Road onto Radford Road during the closures.
