2/11/2014

Hall County Government facilities, including the Hall County Government Center, Hall County Courthouse, community centers, parks and compactor sites will close at 12 p.m. Tuesday and will remain closed all day Wednesday due to inclement weather. 'Our decision has been based upon the best available weather information and consultation with appropriate staff,' Hall County Administrator Randy Knighton said. 'As always, Hall County employees and citizens are encouraged to use caution if utilizing roadways. The most important point to remember as we monitor these weather conditions is that everyone remain safe.' In addition, Hall County Commission Chairman Dick Mecum has issued a State of Emergency for Hall County. Hall County Road Maintenance crews are monitoring roadways and bridges as the threat of snow and ice continues. They will continue to spread calcium chloride on the sidewalks of Hall County facilities and on area roadways where ice has been reported. Anyone wishing to report ice on the roadway is urged to call Hall County Dispatch at 770-536-8812.
