

## **Hall County Government Facilities Delay Opening Until 11a.M.**

1/29/2014

Hall County Government facilities, including the Hall County Government Center, Hall County Courthouse, community centers, parks and compactor sites will delay opening until 11 a.m. Wednesday due to inclement weather.

"We urge all Hall County staff and citizens to exercise caution and care on roadways and in potentially hazardous areas," said Assistant County Administrator Marty Nix.

Hall County Road Maintenance crews continue to monitor roadways and bridges as temperatures remain at or below freezing. They will also continue to spread calcium chloride on the sidewalks of Hall County facilities and on area roadways where ice has been reported.

"Our crews have been extremely diligent in addressing and monitoring the roadways, however, motorists are still asked to exercise extreme caution," said Nix.

Anyone wishing to report ice on the roadway is urged to call Hall County Dispatch at 770-536-8812.
