

Hall County Government Facilities To Open At 10 A.M. Friday

2/13/2014

Hall County Government facilities, including the Hall County Government Center, Hall County Courthouse, community centers, parks and compactor sites will delay opening until 10 a.m. Friday to provide the best opportunity for employees and citizens to experience safe roadway conditions following this most recent winter weather.

'We continue to urge everyone to exercise caution and care on roadways and in potentially hazardous areas, especially roads inside of subdivisions and on side streets,' said Hall County Administrator Randy Knighton.

Hall County Road Maintenance crews will continue to monitor roadways and bridges over the next few days. They will also continue to spread calcium chloride on the sidewalks of Hall County facilities and on area roadways where ice has been reported.

Anyone wishing to report ice on the roadway is urged to call Hall County Dispatch at 770-536-8812
