

Hall County Government To Open At Regularly Scheduled Time Thursday

1/30/2014

Hall County Government facilities, including the Hall County Government Center, Hall County Courthouse, community centers, parks and compactor sites will open at their regularly scheduled time Thursday. However, Hall County Environmental Health and the Hall County Health Department will remain closed, according to area media outlets.

Hall County staff and citizens are still encouraged to exercise caution and care on roadways and in potentially hazardous areas, including subdivisions and on side streets, following this week's winter weather.

Hall County Road Maintenance crews continue to monitor roadways and bridges as they have done ever since the winter weather hit the area. They will also continue to spread calcium chloride on the sidewalks of Hall County facilities and on area roadways as needed.

Anyone wishing to report ice on the roadway is urged to call Hall County Dispatch at 770-536-8812.
