

Hall Co. Animal Shelter Puppies Act As Stress Relievers For Brenau Students

4/21/2014

The Hall County Animal Shelter is teaming up with Brenau University once again to provide some stress relief to students during finals week.

Cindy Langman, program coordinator for the Hall County Animal Shelter, is bringing puppies from the shelter to campus this week to give the students a quick pick-me-up.

"Taking the puppies to campus serves as a stress reliever for the students, and it gives the puppies a chance to socialize," she said.

Langman said she's also hopeful the interaction will encourage students to volunteer at the shelter, located at 1688 Barber Road in Gainesville.

Langman and the puppies will be located near the gazebo on Breanu's Sorority Circle Monday through Wednesday from noon until 2 p.m.

Adopting a pet from the Hall County Animal Shelter costs \$85 and includes the cost of spaying/neutering, microchipping, vaccinations, deworming and a combination test for cats.
